### PAYMENT

Your membership fee is due once monthly as per your contract start date, charged via client-authorized automatic credit card payments. After the first 4 months of your contract, Queen Street Yoga reserves the right to change the membership fee charged under this agreement, with one month prior notice before taking effect.

### CANCELLATION POLICY

After the initial 4-month minimum duration, you may cancel or switch your membership **by email only** to [info@queenstreetyoga.com](mailto:info@queenstreetyoga.com). This ensures that a manager can authorize and confirm the change. Cancellations and changes require 14 days' notice. Memberships cannot be reassigned and are not transferable. Your membership will continue indefinitely until you request cancellation.

### MEMBERSHIP HOLDS

After your first complete month, you may place your membership on hold twice per year for a maximum of 2 months per year. Hold requests must be made **by email only** to [info@queenstreetyoga.com](mailto:info@queenstreetyoga.com) at least 14 days prior to the requested hold period. Requests made after the fact will not be honoured.

### DECLINED PAYMENTS

Please update us when your credit card details change. You will be notified by email if your credit card payment fails to authorize for any reason, and a \$10 late fee will apply if we do not receive payment within 7 days of the original rejection date. If your payment is more than 30 calendar days late, your membership will be deactivated.
